Profile

Creative Video Editor and Cinematographer with 4+ years of experience in cinematic storytelling, colour grading, and motion graphics. Delivered 400+ videos across Real Estate, Medical, UGC, and Brand Marketing using DaVinci Resolve Studio. Winner of ANIMATE 2024 at IIT Bombay (FOSSEE). Pursuing B.Tech in Computer Science & Design (2026).

Experience

Senior Video Editor & Cinematographer

Jul 2025 – Present

Nth Dimensions, Durgapur

- Edited 400+ videos across Marketing, UGC, and Product Showcase using DaVinci Resolve Studio.
- Specialised in Real Estate marketing videos and 3D AI-powered walkthrough productions.
- Delivered motion graphics for Real Estate and Medical niches with consistent brand quality.

Senior Graphics Designer & Video Editor (Internship)

Apr – Oct 2024

AI4ALL, Durgapur

- Designed 50+ visuals for events, branding, and social media campaigns.
- Edited event highlights and reels — increased engagement by 30%.
- Led a team of 2 junior designers, maintaining consistent brand identity.

Freelance Video Editor & Content Creator

2021 – Present

Self-Employed

- Produced 10+ cinematic short films under 'Kushalroy69 Classics' on DaVinci Resolve.
- Curated Lightroom series showcasing 4+ years of colour editing and photography.
- Built Instagram presence with cinemascope-style visual content for brand clients.

Projects

□ Bibartan — Short Film (In Post-Production)

Bengali-English short film conceptualised, scripted, and shot with Sony A6700 + Sigma 18-50mm. Explores cultural identity with a cinematic visual language.

□ Kushalroy69 Classics

Series of 10+ cinematic short films edited on DaVinci Resolve — narrative editing, colour grading, and sound design from 2021 onwards.

□ AI4ALL Tech Fest 2023 — Intro Film

Directed and edited the official intro video for Dr. B.C. Roy Engineering College's Tech Fest, viewed by 3,000+ live attendees.
